

Virtually All Legal Secretarial Services

LawDocsXpress provides reliable, outsourced legal secretarial services available anytime anywhere via the Internet. Just dictate a document or upload a draft and we do the rest. Find out how simple outsourcing can be.

LawDocsXpress

Why Use LawDocsXpress?

Receive final documents – No rough drafts. We'll even prepare your documents on your stationery or make them "ready for filing."

Convenient – With access to the Internet, you can have your final documents anywhere, anytime.

Accurate transcription – Experienced U.S. legal secretaries; your work is matched to individual secretaries by practice area, not "pool processed."

Reliable, fast turnaround time – Your work is assigned to secretaries who are available 24x7.

Easy management of overflow and off-hours work.

Conflicts Checked – We can use your procedures or we can follow ours, using our patent-pending process!

Save Money – No minimums or premiums for overnight or weekend work. Reduced overtime and/or temporary staffing.

 **Bottom Line** — we improve your bottom line!

Outsourcing for some or all of your secretarial needs.

Law firms, corporate legal departments and governmental entities use LawDocsXpress for full outsourcing, occasional help or overflow (evening and weekend) work projects. Due to its attention to detail and unique understanding of the needs and challenges of certain practice areas, LawDocsXpress specializes in:

- **Intellectual Property (patent and trademark)**
- **Workers' Compensation**
- **Corporate Transactional**
- **Litigation (state and federal, including appellate work).**

LAWDOCSXPRESS HAS BEEN ABLE TO DIFFERENTIATE AND ACQUIRE A SIGNIFICANT CLIENT BASE BY USING ONLY U.S. LABOR WITH YEARS OF LEGAL SECRETARIAL EXPERIENCE AND EMPHASIZING A HIGH QUALITY OF SERVICE.

Our keys to success:

Quality Services & Experienced Labor

- Our US-only labor is experienced and matched to individual attorneys by practice area
- Same secretaries each time improve accuracy and turnaround time
- We work with you in your preferred style—make your edits to draft documents or forms via dictation, handwritten faxes and/or .pdfs
- Your typed drafts or dictation are turned into "final documents"
- Your final court documents are in correct jurisdictional style, your final legal correspondence can be prepared on your firm's stationary

It's easy and hassle-free to work with us. We also provide:

- Conflict checks using our **patent-pending technology**
- Edits to existing documents including tables of authorities and tables of contents
- Microsoft Visio drawings for patent filings, Microsoft PowerPoint presentations
- Documents are created in your choice of software or converted to other formats including .pdf
- Digital dictation up to 15 MB in a single file, toll free phone dictation also available
- Electronic filing
- 30-day trial
